

# HKMHDIA Webinar: Australian Health and Medical Innovation & AusMedtech 2023 Conference

AusMedtech Conference is Australia's flagship and premier medical technology conference held annually, bringing together key stakeholders of the Australian and international medical devices and diagnostics sector to help prepare the industry sector for its changing landscape.

Hong Kong Medical and Healthcare Device Industries Association (HKMHDIA) invited officials from the Australian Government to share overviews of the Australian Healthcare Capability, South Australian Medtech Landscape, AusMedtech 2023 Conference and pre- and post- conference side programs.
